COPY OF A LETTER TO WILLIAM GREGORY, ESQUIRE.

From the Secretary to the Commissioners for the assistance of Trade and Manufactures, established in Dublin, by 1 Geo. IV. c. 39. dated 31st July 1822; respecting the Loan to Messrs. NOWLAN & SHAW, in 1821.

Ordered, by The House of Commons, *to be Printed*, 3 *June* 1823.

To William Gregory, Esq. &c. &c. &c.

Board Room, Sackville-street, 31st July 1822.

SIR,

I AM directed by the Commissioners, appointed by virtue of the act of Parliament passed in the first year of His present Majesty's reign, for the relief of Trade and Manufactures in Ireland, to acquaint you for the information of the Lord Lieutenant, that in the month of February 1821, a sum of 30,000 *l.* was advanced to the firm of Nowlan, Shaw, & Co. of the Merino Woollen Factory; 10,000 *l.* whereof was secured by the joint and several bond of Messrs. Nowlan, Shaw, & Co. and a deposit of goods valued at 20,000 *l.*; and for repayment of the remainder bonds were entered into by said Nowlan, Shaw, & Co. jointly with other persons, who became bound for certain portions of said sums.

I am also directed to say, that such loan was made by the Commissioners, after repeated communications with Mr. Grant, (then secretary to Earl Talbot) both personally and by letter; and the Commissioners conceive it right to request that a reference may be made to the several letters which passed between Mr. Grant and them upon the subject, and other documents connected therewith, for which purpose they have directed me to furnish copies, which I take the liberty of sending herewith.

I am further directed to state, that payments amounting in the whole to the sum of 3,875 *l.* 12 *s.* have been made on account of the sum lent on the pledge of goods; and that goods, amounting in value to 7,751 *l.* 4 *s.* according to the invoice price at the time of lodgment, have been returned by the Commissioners to them, according to the directions of the Act; so that goods which were valued at the time of the deposit at a sum of 12,248 *l.* 16 *s.* still remain in custody of the Commissioners.

I am further to state, that a written application for extending the time for repayment of the balance of said loan remaining due has been lately sent to the Commissioners, signed, "Nowlan, Shaw, & Co." but which, there is reason to believe, was not signed by any of the persons who were partners in that firm; and that the Commissioners, under such impression, did by letter addressed to said firm require the attendance of one or more of the partners before them on the 25th instant, but that none of them appeared, nor was their absence in any way accounted for.

Under these circumstances, the Commissioners have directed me to state, that as the loan was made upon the special interference of His Majesty's then Government in Ireland, and as they foresee that a necessity will arise of applying to those persons who have become bound for the repayment of such part of the loan as is not secured by a deposit of goods, some of whom they have reason to think will not be able to pay the sums for which they are bound, they are unwilling to take any decisive step, either
